Re: FSTIP Request for the Recreational Trails Program
Homestead Connector Trail, County of Lassen, \$25,000

Dear Mr. Kempton,

The State of California, Department of Parks and Recreation, is recognized by the Federal Highway Administration (FHWA) as the agency designated to administer the Recreational Trails Program (RTP) as outlined in the Transportation Equity Act for the 21st Century (TEA-21) in California. As required by the RTP, trail projects must be consistent with statewide and applicable metropolitan long-range transportation plans. Furthermore, RTP projects must be included in the Federal Statewide Transportation Improvement Program (FSTIP) and applicable Metropolitan Planning Organization (MPO) Federal Transportation Improvement Program (FTIP).

Enclosed, you will find project level information about the Homestead Connector Trail, located within Lassen County, which is outside the jurisdiction of a MPO and therefore falls with CalTrans' transportation programming responsibility. Please take the necessary action to incorporate this RTP project into California's current FSTIP. This project was previously programmed in the 2002 FSTIP for Fiscal Year 2002/03, which I understand has now expired.

If you have questions or need additional information, please contact me at (916) 653-6160 or jlach@parks.ca.gov. Thank you for your assistance.

Sincerely,

Jean A. Lacher
